The “Discovery” Cruise Program was developed by The Ward Melville Heritage Organization in cooperation with Stony Brook University’s School of Marine & Atmospheric Sciences
The “Discovery” was made possible through a grant sponsored by New York State Senator John J. Flanagan, 2nd District
This project was partially funded by the Zoos, Botanical Gardens & Aquariums Grant Programs which is administered by the NYS Office of Parks, Recreation and Historic Preservation.

Includes Photography Cruises with an expert from Camera Concepts & Telescope Solutions
Boat the pontoon boat “Discovery”...

for a unique 1½ hour cruise through Stony Brook Harbor to the surrounding wetlands at West Meadow Creek.

A naturalist will be aboard to guide you through this exceptional experience embracing ecology, geology and history.

- Marvel at sweeping vistas of the salt marsh moraine, the long sandspit with the historic Gamecock Cottage, the serpentine creek and waterfowl and birds.
- Learn about the importance of the wetlands ecosystem.
- Discover how Native Americans first settled here.
- Bring your binoculars for a close-up view and use your camera to record cruise memories!
- Celebrate a special occasion aboard the “Discovery.”
- Enjoy a morning or mid-day cruise, or wrap up a perfect summer day with a sunset cruise.

Discover local Wildlife!

Photography Cruises

Enjoy a 30 minute discussion before the cruise with a Camera Concepts & Telescope Solutions photography expert to discuss techniques to capture the best images on the water (landscape & wildlife). Stick around after the cruise for a photo critique and share your best shots taken during the trip.

Available for purchase from CCTS are the Celestron Outland X 8x42 Binoculars which meet the needs of every outdoor enthusiast!

“...Among all the Long Island cruises, none beats the ‘Discovery’ for combining the pleasure of a boat excursion with exploration of our natural surroundings.”

“...There are so many great places on Long Island to do birding... West Meadow Creek is a lush spot...”
